

MONKEY THUNDER 5

Monkey Thunder started four years ago as an art coup of sorts with little to no guarantee of staying power.

And after 4 glorious iterations, MT is back and going public!

MT5 will be a month-long event with the opening reception coinciding with ArtsWalk, Downtown Muncie's biggest First Thursday of the year.

In keeping with the frantic, last-minute origin of MT,
I'll be throwing together this 5th installment over the next few, furious weeks.

Thank you for your interest, your previous participation, and hopefully your patience with me this go-round!

- 1.) **Exhibit Dates** – October 1 – October 31, 2015
Opening Reception – October 1, 5 – 9 PM (officially, but likely to party on...)
- 2.) **Eligible work** – Any work in any medium, preferably interpretive, experimental, difficult, conceptual, or subversive.
- 3.) **Submit** up to 3 digital entries [images & all tag info - title / medium / size / sale price] to braydee@gordyframing.com **before 5 PM Wednesday, SEPT. 23rd.**

Late and/or incomplete submissions will not be considered. Really, guys, look at the timeline here.

*** Due to increased interest in participation and limited exhibit space, this event is curated.
Notification of accepted submissions will be sent out FRIDAY, SEPT 25th.

Proposals for installation work will be considered, please think about the limits of our gallery space, include thorough details, and email in advance with questions. Video, performance, and intermedia work will be considered for exhibit in Civic's Black Box Theatre as an extension of MT5 under the direction of Maura Jasper. All accepted 2D/wall installed work must be complete with hanging hardware (wires preferred). All 3D work to be viewed in the round must be securely free-standing or able to sit on pedestals no larger than 12"w x 12"d.

- 4.) EVERYTHING in the show needs to be FOR SALE! Not only does Monkey Thunder serve as an outlet for introducing patrons to work of this nature, but also shows them that it's purchasable and perfectly acceptable to own. Let's sell some shit.
- 5.) Because each artwork is required to be for sale, and because the goal is to move some of it into private collections, our gallery commission will be cut to 20%. Hopefully, this will help everyone keep their prices down.
- 6.) **Accepted artwork** should be dropped off at Gordy Fine Art & Framing Co. (224 E. Main St. Muncie) Monday, September 28th or Tuesday, Sept. 29th during normal business hours, 9 AM – 5:30 PM.

Artwork pick-up will be Monday, November 2nd or Tuesday, Nov. 3rd during normal business hours.

Please email or call to make other arrangements.
